investments analysis and management. Canadian edition by W. Sean Cleary and Charles P. Jones is an introductory text that prepares Canadian college and university students for a career in the investments industry. Its unique coverage provides both the theoretical foundation and practical applications students will need to make real-life investment decisions. Several key features distinguish *Investments*, such as an accessible approach to topics, introducing students to the how and not just the why of investment management. The text steps beyond concepts by focusing on the realities of the Canadian investment community. In addition, *Investments* places great emphasis on topics that are included in professional courses such as the Canadian Securities Course (CSC) and the Chartered Financial Analysts (CFA) program, helping students prepare for future courses and careers.
